Dear Prospective Member,

Thank you for your interest in the Iota Zeta chapter of Sigma Alpha Iota, and welcome to Fall Recruitment! Our recruitment process is meant to be a fun and laid-back way for you to meet sisters, learn about SAI, and make new friends. This packet contains all of the information that you will need throughout the recruitment semester. If you show continued interest in SAI, we will assign a “Leading Tone” to you, a sister who will be another source of information and guidance to you throughout the recruitment process. She can answer questions, listen to any concerns, get to know you, and be your advocate within the chapter. You can also always consult me or Mindy Griffith, this year’s Fraternity Education Officer and my partner in crime. :)

Please make sure to fill out the google doc at http://goo.gl/forms/4mbWhl79fKrNkOMK2 or return the contact sheet to me below so we can add you to our contact list. We will use this to remind you about upcoming mixers. I will also add you to a Facebook group, called “”””” where we will post information about mixers, the sisterhood, and more. I will post this packet there as well as a direct link to the google doc for contact information!

The entire Iota Zeta chapter is so excited to get to know you, and we hope that you will have fun at our mixers! If you have any questions, concerns, or want to talk more in depth about SAI, please feel free to call, text, or e-mail me or Mindy at any time!

Many Roses,

Prospective Member Posters

As a prospective member, the sisterhood asks each of you to create a poster to present us with information about you! This is a great way for current sisters to get to know you as a prospective member. Be as creative as you would like with this poster; make it fun!

Here are a few of the things that we ask you to include on your poster:

- At least one picture of you
- Full Name
- Hometown
- Instrument
- Major
- Year in School
- Something you love (a movie, favorite food, a quote - be creative!)
- An interesting fact
- How you found out about SAI
- Other organizations you are involved in (i.e. Redcoats, etc)

Other than that, feel free to include anything you like! Your poster can be any size, color, and can include any other pictures or information that you want us to know about you!

When your poster is done, start bringing it to every mixer that you attend. Introduce yourself to a sister, start up a conversation, and ask them if they would sign your board. You should acquire at least 30 sister signatures total. (It’s a lot easier than it sounds, promise!)

You will be asked to turn in your poster to Abby at the Spaghetti Dinner on December 4th.

Remember, this should be a fun way to introduce yourself to us, so don’t stress! If you have any questions or concerns, as always, please contact Abby at any time!

Invitation Requirements

There are a few requirements, laid out by the National Executive Board, that prospective members must meet to be considered for an invitation to join the sisterhood.

- Be at least a freshman and have completed at least one semester at UGA
- Have a cumulative GPA of at least 2.5
- Have completed or be in the process of taking a music class

Our chapter also asks the following:

- Attend at least 4 Recruitment Mixers
- Hang out with your Leading Tone twice
- Make a poster about yourself and share it with at least 30 sisters

If at any time you foresee difficulty meeting any of these requirements, have questions or concerns, or simply feel overwhelmed, please contact Abby - we want this to be a fun, stress-free experience for each of you!
